is god still giving revelation today that question is at the heart of the claims of the largest theological movement of christianity since the reformation charismaticism and the foundation of their position is that the gift of prophecy is still operating today this book is a detailed study of the gift and it defends the following modern claims to prophecy are one of the most widespread and dangerous frauds in christianity real biblical prophets spoke divinely authoritative revelation and always predicted the future with perfect accuracy in order to authenticate themselves modern so called prophets either make mistaken predictions or claim they don t even need to try there was no difference between the authority and purpose of ot jewish prophets like jeremiah and nt christian prophets like agabus the church universally testified that the gift of prophecy ceased by the third century god really hates modern false claims to be speaking for him

christianity among the african people whether on the soil of africa or in diaspora is perceived and defined differently by different people for instance among african traditional religious people and muslims christianity is a foreign religion that must not be allowed to thrive in africa to several africans who profess jesus christianity is good but it is not adequate and effective enough to handle all human needs still among some western christians and missionaries african christianity is superficial and lacks total commitment to christ of course the africans are a cultural people with profound religious inclinations their traditional religion atr has tremendously shaped their worldviews and socioeconomic and political activities consequently when traditional africans are converted to christianity they do not break ties with their traditional religions completely the examination of relevant biblical texts on syncretism however reveals that god condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship therefore this work investigates the root cause of religious syncretism among african people in the attempt to find answers to why the average african christian finds it difficult if not impossible to abandon his her traditional religious belief systems completely to embrace christianity the author concludes that unless the issues surrounding the african forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of african christianity therefore to overcome the threats of syncretism in african christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the african worldviews and belief systems this task must be carried out under the searchlight of scriptures

my goal upon entering moody s mabs program was then as it is now to know god better and to love him more before completing the program i began praying to know what god had in mind for me next while praying i realized that some if not much of the biblical knowledge i had recently gained would likely slip from my mind if i did not take steps to prevent that i was then led to compile my written assignments into a well organized anthology as i prayerfully worked on that project i realized that the finished product could well serve as a christian discipleship or small group study that led me to prayerfully consider making the project available to everyone now along with westbow press i am blessed to invite you to embark on a journey through your own at home seminary
